To Whom It May Concern:

Affiliated Fire Systems has worked with Garden Electric on several installations and several new projects. Kurt Moss is always a pleasure to work with. He is knowledgeable on all aspects of the job. Garden Electric provides accurate and precise information on the installation process, from equipment needed to technician labor needed. Garden Electric is always aware of completion dates and strives to meet those dates 100% of the time. Kurt's follow up is excellent.

Affiliated Fire Systems hopes to continue the excellent relationship with Kurt Moss and Garden Electric. It is always a pleasure doing business with them.

Respectfully,

Affiliated Customer Service, Inc.
