RE: Testimonial Letter

Dear Potential Customer of Garden Electric,

Garden Electric is an excellent contractor. Their work is A+ quality and they understand the meaning of customer service. There was never a request that could not be accommodated, and when I needed them, they found a way to be there. I consider Garden Electric a trusted partner, and they are the first # I dial for both my line voltage and low voltage projects.

Should you have any questions, or would like to discuss specific projects we have done together, please do not hesitate to call.

Sincerely,

A handwritten signature in black ink, appearing to read 'John M. Moraris'.
